

Claims on the area historically known as Palestine, based on length of occupation c. 1550 BCE to the present.

Palestine (Arabic: Filasīn; Greek: Palaistinē; Latin: Palaestina; Hebrew: Palestina) is a conventional name used to describe the region between the Mediterranean Sea and the Jordan River. The term Peleset (from hieroglyphs as P-r-s-t) is found in Egyptian documents referring to a neighboring people or land starting from c.1150 BCE.
